

HIMGIRI ZEE UNIVERSITY UGC RECOGNISED

[Ested. Under Uttaranchal State Act. No. 17, 2003. Approved by UGC Under Sec. 2(f)]

DEHRADUN

PROSPECTUS

Vision

The vision of Himgiri ZEE University (HZU), Dehradun is to become world class University and to harbinger vocationalisation of higher education through conventional as well as through other modes of learning in order to meet the future demands for trained manpower in the country.

Mission

HZU will provide educational opportunities to all segments of society, without discrimination of any kind. In addition to regular face-to-face education, HZU will, through the use of modern technologies, bring education to the doorsteps of all those who did not have access to higher education earlier or were denied such an access.

Message from the Patron, Himgiri ZEE University

Based on the motto 'Vasudhaiva Kutumbakam' (The World is my Family), Himgiri ZEE University has been established for the vocationalisation of higher education which is national in character. The University is characterized by its resolve not to discriminate on the grounds of caste, creed, residence, community, gender and religion.

The University promotes a holistic approach to learning where each individual receives academic insight along with the fundamental values of work ethics and etiquette. Over the years our efforts have been towards creating good infrastructure, providing newer facility for the students and upgrading our programs and faculty to strengthen the academic rigour of the University.

The University will benefit from the wide range of industry linkages of Essel Group. We will ensure that final year students will receive ample opportunities for successful placements in reputed companies of Essel Group and other organizations across the country.

We welcome students and parents to be a part of Himgiri ZEE University and join hands in an effort to groom a new cadre of professionals for India.

Dr. Subhash Chandra

Message from the Vice-Chancellor

Welcome to Himgiri ZEE University (HZU)!

HZU was established under Uttaranchal State Act No. 17 of 2003 and recognized by University Grants Commission (UGC). With the mission to *Serve the Nation*, HZU is striving to become premier institute of higher learning. We believe that knowledge and skill supported by innovative learning mechanism can create better tomorrow of young students. Dehradun is known for quality educational institutions and HZU is one among few who enjoys trust of students from Pan India and neighboring countries. It is our endeavour to provide quality education and groom the students to be future leaders. Co-curricular and extra-curricular activities are embedded with academics in a manner that students get enough platforms to explore their talents and gain the requisite skills to become qualified professionals.

At present, university has six schools in various professional areas. School of vocational studies is the new school added as per guidelines of UGC to provide skills based learning. Industry academia relationship is very strong and all students of vocational studies are provided industrial training in every semester so that they become job ready when they graduate.

I am happy that you have considered HZU for your study and assure that all support will be provided to achieve your dream. The highly experienced faculty, state of the art laboratories, industrial interface and regular co-curricular activities will differentiate you with other graduates in your own field.

Once again I welcome you to the university and I am sure you will find your journey exciting, motivating and fulfilling.

Good Wishes!

Prof.(Dr.) Rakesh Ranjan

B.Sc. (Engg.), ME. Ph.D (BITS Pilani)

About the University

In India, besides Central Universities and State Government Universities, various State Governments have established private universities, which are self-financed. Presently, there are more than 318 private universities in various states of India. These universities have been empowered in the act to award degrees after due process of examination.

Out of around 235 self-financed state government approved Universities, Himgiri Zee University is one amongst selected Universities, who have completely complied with direction to meet the UGC requirements and therefore is UGC recognized (see UGC letter at hzu.edu.in) (visit ugc.ac.in).

In order to bring real difference to education and employment, Dr. Subhash Chandra, Chairman, Essel Group of Industries, in 1995 brought together a group of committed anthropologists, sociologists, economists and development communication professionals to set up TALEEM Research Foundation in Ahmedabad. One of the mandates of TALEEM Research Foundation was to set up a University.

Himgiri ZEE University (HZU) has been established by the Government of Uttarakhand with mandate to meet the growing demand of trained human resources in various social, educational, scientific, technical and professional organisations so as to channel human energy towards sustainable economic and social development.

Campus Infrastructure

HZU is situated in a scenic city of Uttarakhand-Dehradun. Its location is ideal for educational purpose and free from pollution. It is well connected as it is located close to a highway, the Chakrata Road.

The campus is spread over 50 acres of land. It has a large infrastructure, which includes academic blocks, administrative blocks, lecture theatre complex, laboratories, central library, workshop, faculty quarters, student hostels (separate for boys and girls) with 24 hrs power backup, In-house Community Radio Station "HIMGIRI KI AWAZ 107.8 FM", own video production studio, sports, gymnasium and recreation facilities. The entire campus is Wi-Fi enabled with high speed internet connection of 1 GBPS.

Our Strengths

- Recognised by UGC and therefore pass out students are eligible for government jobs across the country & abroad.
- Member of the Association of Indian Universities (AIU), New Delhi.
- Eminent faculty with vast academic & industry experience.
- Industry Academia Interface.
- Well equipped Labs & Library.
- 50 Acres of Wi-Fi enabled (1 GB line) campus.
- Campus Placements/Industry Internship assistance with Essel Group & other multinational corporates.
- Secured & separate AC/Non AC hostel facility for boys and girls with 24 hrs power backup.
- In house-Community Radio Station "HIMGIRI KI AWAAZ 107.8 FM" & HZU's own Video Production Studio.
- 2 Acres of Agriculture Research Farm, Green house and Poly house nursery in the campus.
- Fresh water ponds for fish farming.
- Splendid sporting facilities for Swimming, Lawn Tennis, Volleyball, Badminton, Basketball, Football, Cricket and Open Gymnasium.
- Student centric services including counselling, training, placement support and personality grooming.
- HZU is established by India's well renowned – Essel Group.

Programmes at a glance

Keeping the objectives of excellence and relevance, the university has established various schools in the area of Agriculture, Forestry, Fisheries, Architecture, Engineering, Sciences, Education, Social Work, Humanities, Media, Journalism, Film Making, Management, Hotel Management, Commerce, Legal Studies & Vocational Studies.

School of Agriculture, Forestry & Fisheries

B.Sc. (Hons.) - Agriculture
B.Sc. (Forestry)
B.F.Sc. (Fisheries Science)
M.Sc. (Agriculture)
M.Sc. (Forestry)
Ph.D. in Agriculture, Ph.D. in Forestry

School of Architecture, Engineering & Sciences

B.Arch
B.Tech (Civil / Mech / ECE / EEE / CSE)
M.Tech (Civil / Mech / ECE / EEE / CSE)

School of Agriculture, Forestry & Fisheries

The School of Agriculture, Forestry & Fisheries provides an atmosphere not only for healthy academic activities but also for all-round growth and development of student's personality. The school has followed the system of education that provides a great deal of openness, transparency, flexibility and possibility for growth through the involvement of the students at each step of knowledge building process.

The major objectives of the School of Agriculture, Forestry & Fisheries are:

- To meet the Agriculture, Forestry & Fisheries manpower need for social, professional and economic development through teaching, research & practical training.
- To promote learning in an environment conducive to free-thinking and innovation to cultivate the skills, attitudes and habits of Lifelong learning.
- To cater the need for knowledge workers in our rural society and focus on lifetime employability rather than lifetime employment.

School of Architecture, Engineering and Sciences

School has 3 departments namely Department of Architecture, Department of Engineering and Department of Sciences which offer Bachelors, Masters and Ph.D programs in their respective branches

DEPARTMENT OF ARCHITECTURE, DESIGN AND PLANNING

The Department of Architecture, Design and Planning strives to achieve distinction and excellence in three inter-related disciplines. This unique combination of Architecture, Design and Planning, perhaps the first of its kind in India, enables students to have diverse exposure and provides a platform for inter-disciplinary interaction among the students and faculty.

Since Dehradun is set amidst the foothills of Himalayas and the Shivaliks, the school draws its inspiration from the picturesque environment and surrounding and focuses its attention on Himalaya's vis-a-vis its relevance to Architecture, given the seismic vulnerability of the region.

The School aims at the overall development of excellence, working with the ideals of practical training and personalized relationships, to create a model school of unmatched quality that will carve a niche for itself, both nationally and internationally through its academic endeavours. Admissions of foreign nationals will also be made as per COA rule.

- 5 year B.Arch. course has been approved by the Council of Architecture (COA)
- Faculty having IIT background
- Active participation of students in NASA & inter-college competitions
- Good infrastructure with studio and art room facilities

DEPARTMENT OF ENGINEERING

The Department of Engineering has been established with a view to provide quality technical education. We intend to develop this department into a centre of excellence, to achieve quality in all respects from the very beginning. The focus is on the pedagogy for integrating conceptual knowledge in relevant subjects with due emphasize on practical application.

Essel group is pioneer in professional engineering discipline that deals with design, construction, and similarly Electronics and Communication Engineering courses give enormous job opportunities in electronic and software companies.

Course	Duration Years/Sem.	Eligibility	Fee Structure Per Semester		Intake

DEPARTMENT OF SCIENCES

The basic sciences form the backbone of Science & Technology and lead to development in frontier areas. The basic sciences provide development of innovative faculties and power of imagination which result in advancement in Science, Engineering and Medicine. Therefore, the study of Basic Science is the beginning of development of research capabilities of an individual. The Department has followed the system of education that provides a great deal of openness transparency, flexibility and possibility for growth through the involvement of the students at each step of knowledge building process.

The major objectives of the programs are:

- Development of inherent capacity to think scientifically and coherently.
- To promote learning in an environment conducive to free-thinking and innovation to cultivate the skills, attitudes and habits of Lifelong learning.
- Imparting of skill sets for employment.

Course	Duration Years/Sem.	Eligibility	Fee Structure Per Semester		Intake

School of Education, Social Work and Humanities

School has two departments namely Department of Education and Department of Social Work and Humanities. It offers Bachelors, Masters and Ph.D programs in their respective branches

DEPARTMENT OF EDUCATION

The programmes of this Department reflect certain basic assumptions about teacher education. It aims to provide an environment which encourages professional excellence growth in the exercise of responsible freedom and respect for the human personality which inculcates values and attitudes for social awareness and responsibility. It also seeks to develop in its students the ability to think logically, critically and communicate effectively.

The B.Ed course is duly approved by NCTE (National Council for Teacher Education)

Highlights of the Programme

- Language Resource Centre
- Science and Mathematics Resource Centre
- Psychology Lab
- Information and Communication Technology Resource Centre
- Health and Physical Resource Centre
- Social Studies Periodical Section
- Students will have an option of training at schools of ZEE Group.

DEPARTMENT OF SOCIAL WORK AND HUMANITIES

The Department of Social Work and Humanities offers a B.A., Masters Degree in Social Work and Ph.D. to students who wish to make a change in their life and society as a whole. This course is crafted to mould a student to become a social scientist. It involves the application of social theory and research methods to study and improve the lives of people, groups and societies. It incorporates and utilizes other social sciences as a means to improve the human condition and positively change the society.

The students are trained to plan and executive an extensive range of social services, social welfare activities, and work in commercial and industrial establishments and training institutions. The curriculum has three important components theory,

fieldwork and research. It enables the students to acquire necessary knowledge of Arts, sociology, psychology, philosophy and methods of social research. To facilitate the above complex learning process, the training programme also includes independent study, lectures, seminars, research and concurrent and block fieldwork training. The department considers education as a means for social change and transformation with societal commitment.

Students in the MSW program require the ability to think critically and work collaboratively with others. They should have competence in written and oral expression and the willingness to use computer and advanced communications technology.

The department also offers regular Bachelors program in Arts subjects.

Course	Duration Years/Sem.	Eligibility	Fee Structure Per Semester		Intake

Ph.D	Min. 3/6	55% at the Master Degree level	1000	45,000	TBA

School of Media and Journalism

The School of Media and Journalism is one of the leading faculties at the Himgiri Zee University. The programmes offered by this school are conceived as the flagship programmes of the University. These programmes are based on the new and inclusive modules of the study of Expressive Cultures, Media and Communication as a whole.

The programmes offered embrace the whole spectrum of Social Sciences, Humanities and Arts with Communications being at the focus of the programmes. These include subjects like Communication Theories, Media and Society, Journalism, Film Studies, Advertising, Public Relations, Communication Research, International and Political Communication among others. These subjects provide the requisite skills needed to become a Communication or Media practitioner in the local, national and global context.

A degree in Mass Communication from Himgiri Zee University will provide the ideal opportunity to gain a hands-on experience of Communication and Media at

both the theoretical level in the classroom and the practical level in the industry due to our unique media industry linkage. Students who complete a Masters/Bachelors/Integrated Masters degree with the University will have the unique opportunity to undertake training at any one of the Zee Group facilities in the country. They will be taught by internationally sought after faculty, consultants and researchers who have worked in the Media and Communication discipline.

With the FM Radio-on-Campus (FM 107.8 "HIMGIRI KI AWAAZ") and an In-House TV Production Studio, the stage is all set for the introduction of the Diploma courses in Radio Jockeying & TV Production as well.

School of Management, Hotel Management and Legal Studies

School has three departments namely Department of Management, Department of Hotel Management and Department of Legal Studies. These offer Bachelors, Masters and Ph.D programs in their respective subjects.

DEPARTMENT OF MANAGEMENT

The Department of Management is committed to imparting all-round skills, knowledge, training & competency in the field of business and management. The course structure is a rational mix of core & optional modules enabling specialization in Media Management, Tourism Management, Finance, HR and IT & Marketing. The program is designed to provide both - a portfolio of strong functional skills and the ability to apply, adapt and integrate those skills in different management settings. The Department of Management provides students with a learning-friendly atmosphere to utilize a higher level of their intellectual capacity, required to specialize in the respective areas of study.

The emphasis of HZU is on the holistic development of the students by empowering and enabling them to acquire not only the management degree but also the critical skills and the right mindset to be successful in the highly competitive and increasingly globalizing business environment. Students are exposed to the evolutions and revolutions on the business horizon and to the theoretical and practical dimensions of management with strategic orientation.

Ph.D	Min. 3/6	Masters Degree with Min 55% marks	1000	45,000	TBA

DEPARTMENT OF HOTEL MANAGEMENT

The Department of Hotel Management is committed to offer quality education training in India and abroad to those aspiring to be the future managers in the hospitality industry. With the world becoming a global village, travel for pleasure and business has increased manifold and is expected to rise further in future making travel and tourism as the world's second largest industry. This has resulted in increased demand for hospitality services worldwide that conform to internationally acceptable service standards. This has resulted in great demand for skilled manpower all over the globe.

Candidates opting for career in the hospitality sector have to go through a rigorous training program to be able to sustain the ever growing demands of this industry. Its multi-disciplinary program focuses on critical analysis of management styles and strategic thinking required to succeed in hospitality industry.

Facilities

The Library

The Library has state of the art information systems and provides access to an extensive range of database, together with traditional printed material. The library is stocked with more than 30,000 books including e-books, 4000 titles and a number of journals and reports that cover all subjects. Although the primary mission of the library is to support the curricular and research needs of the students, the library also provides material and reference assistance for the faculty.

Hostel and Mess Facility

The University has made the provision of separate AC/Non AC hostels for boys and girls. The students are provided with basic amenities like a cot, table, chairs and a cupboard in their respective rooms.

Laundry facility is available in hostels on additional payment.

Sports Facilities :

We believe in training the students not only in their chosen academic discipline but beyond that as well. Sports at University campus provide for the perfect setting to hone one's team skills and

to maintain physical fitness. Apart from indoor games, there is a whole gamut of outdoor sports like Football, Volleyball, Lawn Tennis, Swimming, Cricket, Badminton etc.

The HZU is a vibrant campus full of healthy sports and activities.

- Swimming Pool** : HZU is the only private university in Uttarakhand which has a state of art swimming pool. The facility is available for boys & girls at separate time and monitored.
- Gymnasium** : With state of the art equipment for boys and girls.
- Lawn Tennis** : A lawn tennis court is available close to hostels, open to all, both hostellers & day scholars.
- Badminton Court** : The University has badminton courts with lighting arrangement, both for boys & girls.
- Basketball Court** : HZU has a basketball court as per the International Standards
- Volleyball Court** : HZU promotes healthy activities and a volley ball court too.
- Football Ground** : A Football ground is available for the lovers of the game.
- Cricket** : India is country of cricket lovers. The fever grips here too.

Hostel Fee Structure

Category	Type of Accommodation	Annual fee for Indian Student (INR)	Annual fee for Foreign Student (\$)
A	Bunk Bed	72,000	1500
B	Multi Bed	76,000	1800
C	3 sharing without A/C	85,000	2000
D	2/3 sharing with attached toilet or A/C (Either of)	95,000	2300
E	2 sharing with A/C & attached Toilet	110,000	2400
F	Single room with A/C & attached Toilet	120,000	2500

Transportation Facility

Transportation facility for the students is available. We run a fleet of buses to help students and staff members commute to and from areas in the city. The bus service is available over 20 km radius around the city. In view of safety issues on the highways, parents are urged to convince their wards to avail the services of University buses only.

As of now, this facility is available at a charge of INR 16,800 per year.

Canteen

The HZU cafeteria is designed to create a comfortable environment where you can discuss ideas while you enjoy a good meal. The larger mess hall is equipped to serve lunch and dinner for all students. We focus on providing variety of cuisines that are healthy and balanced at affordable prices.

Medical Facility

Doctor and Ambulance services are available on call round the clock.

Other Facilities

There is 24 hrs. security with Armed Guards on the campus and hostel.

Ragging Free Campus

Ragging of students, physically or mentally, is a cognisable offence. All the students are advised not to commit such an inhuman act of cruelty and eradicate this evil from the society completely.

If any student is found involved in committing or indulging in such offences, then matters will be handled with much gravity as per law.

Foreign Nationals & NRI/ NRI sponsored Admissions

A limited number of seats are available for Foreign Nationals & NRI/NRI sponsored candidates. Admissions against these seats are based directly upon merit and the applicants do not have to appear in the aptitude test. The minimum eligibility for foreign nationals & NRI/NRI sponsored candidates is 40% marks in the qualifying examination. The following documents are required for admission against Foreign Nationals & NRI/NRI sponsored seats:

- i) Original Certificate / Marksheet of the qualifying examination
- ii) Attested photocopies of the passport and Visa of the applicant/guardian.
- iii) Foreign Bank Account Number or NRI Account Number of the applicant/guardian.
- iv) Declaration regarding Non-Resident status of the applicant/guardian.

Once student is admitted in a programme as Foreign National or NRI/NRI sponsored student, then he will remain in this category for the full duration of the programme.

University decision regarding Foreign National & NRI/NRI sponsored admission will be final and will have to be adhered to by the applicant.

The Educational Fee prescribed for Foreign Nationals & NRI/NRI sponsored applicant is mentioned with the courses mentioned above.

Admission against Foreign Nationals & NRI/NRI sponsored seats is at the sole discretion of the University and the University may deny admission to applicant without assigning any reason whatsoever.

Admission Procedure

The Admission Cycle

Admissions to the programmes are open for 2018-19.

Normally, registrations are done between 1st April to 16th August, 2018. Eligible students are admitted after payment of semester fees.

Selection

The selection to various programmes offered by the University is based on the eligibility criteria/Entrance Exam

Mandatory Documents

10th Marksheet/Certificate	12th Marksheet/Certificate	
Graduation Marksheet	Degree	
Migration Certificate	Aadhar Card	6 Passport size Photographs

Admission Procedure

Registration Form is available at the University/University website.

Admission procedure shall have following steps:

1. Fill up the registration Form.
2. After filling up registration form candidate will make the payment of Registration fee.
3. Candidate will submit the documents for approval of the University.
4. The student will make the payment of programme fees on getting the approval of documents by the university.
5. After the confirmation of receipt of fee from University Finance department, candidate shall get admission to the programme.
